# C COMPANY PROFILE 公司简介

**GOLDEN IDEA OPTICAL-TECH CO.,LTD.** was founded in 1998 with the vision of providing the eco-friendly high quality pop, sign, display products.

**Our Products:**

Solar Light Box, Solar Advertising, Solar Bus Shelter Light Box, Solar Sign Display, Solar Powered LED Channel Letter, Media Light Box, Street Light Box, Led Animated Light Box, Led Snap Light Box, Led Slim Light Box, LED Crystal Light Box, LED display, LED Message display, LED signs, Neon Sign, Flexible LED neon signs, POP Sign Display Lighting Series etc.

**Our advantage:**

- 1) Strong new product developing ability, More than 100 new products per year by our 15 designers and 35 engineers' team.
- 2) Eight Products we developed have achieved the National Patents.
- 3) We can offer Green, Energy Saving and Environmental friendly lighting solution, solve the problem which most of manufacture can't deal with.
- 4) Stable products quality, we have got ISO 9000 , and UL,CE,SCS, RoHS certification.
- 5) Successful Experience with Famous Co., we can support our customer with before sales service, service during sales and after sales service all over the world, such as UK, USA, Germany, France, Dubai, etc.

Visit us online at [www.pop-sign-display.com](http://www.pop-sign-display.com) or contact one of our experienced sales, service or design representatives to request a quote, new design or service. Or come to our factory and see for yourself.

金意光电科技有限公司成立于1998年，公司致立于提供地球友好的高质量的POP标识，广告牌等广告类产品。

**我们的产品:**

太阳能灯箱、太阳能广告牌、太阳能公交站台、太阳能照明系统、太阳能立体字、媒体灯箱、街边灯箱、LED动感灯箱、LED翻盖灯箱、LED超薄灯箱、水晶灯箱、LED大显示屏、LED条屏、LED广告牌、霓虹广告牌、LED霓虹广告牌、POP展示板、展示架系列等等。

**我们的优势:**

- 1) 强劲的产品研发能力，15个设计师和35个工程师组成的研发团队，每年可开发100多套新品。
  - 2) 公司有8项产品已获得了国家专利。
  - 3) 提供绿色的、环保的、节能的照明产品，能够解决一般制造商不能解决的技术问题。
  - 4) 稳定的产品品质，我们通过了ISO9000, UL, CE, SCS, RoHS等认证
  - 5) 有着成功与国际大公司合作的经验，在英国，美国、德国、法国、迪拜等世界各国为您提供产品售前、售中、售后的全方位服务。
- 欢迎登录公司网站[www.pop-sign-display.com](http://www.pop-sign-display.com) 或与我们的销售部、客服部、设计部联系价格、服务与设计问题。诚邀您到工厂进行考察。

## Solar Bus Shelter

Solar Bus Shelter, LED solar powered lighting system for bus shelter advertising light box offers a revolutionary concept for the outdoor advertising Street Furniture industry

- 1) Material: Solar Panel, battery charge controller, batteries, and Led light box.
- 2) Good Quality: Can provides high quality and uniform back-lighting without hotspots or shadows behind the graphics, generating ideal advertisement illumination.
- 3) Environmental protection.
- 4) Energy saving, absorbs the sunlight in the daytime, convert it into electric power, and stored in internal battery. When the night come, the sensor is turned off, and the lamp turn on.
- 5) Easy installation ,No more ground wiring, no more maintenance.
